

March is Rotary BowelScan Month

Every Adult Every Year — it's Your Best Protection!

- ◆ Bowel cancer is the second deadliest cancer killer today
 - ◆ More than 80 Australians die every week from this disease
 - ◆ However bowel cancer is 90% curable *if detected early*
 - ◆ Annual testing is therefore highly recommended
 - ◆ BowelScan kits are available from all 29 Redland Pharmacies
 - ◆ Buy a \$10 kit from your local Pharmacy during March
 - ◆ *It could save your life*
 - ◆ Rotary test kits have helped save many lives since it commenced
 - ◆ Pathology analysis is provided free by Sullivan Nicolaides
